

From the experts – a vehicle and asset tracking systems seminar. It's simple, and **FREE***

It takes real knowledge and expertise to become a market leader for tracking systems hardware. And now we're sharing our knowledge with a **FREE seminar at Old Trafford Football Ground on 2nd August, 9.45am–4.00pm.**

Topics will include:

- Tracking Hardware
- Accessories: RFID, adding additional sensors & inputs/outputs, connection to other systems
- SIM Provision: UK & Roaming
- Software: Middleware and Mapping Solutions
- Server: Considerations and integration to server solutions
- Customer demos

Tickets are by application only and include, coffee, lunch and car parking at Old Trafford, as well as a stadium tour.

Places are limited, so for more information or to book your place, call now on **+44 (0)1931 716 002** or send an email to: **sales@simplesolutions-uk.com**

Simple Solutions
(because design's complicated enough)
